Dear Pete,

I am sure that you have heard of the formation of The Route 74 Association, started in late August "to preserve, promote and protect the interests of all land owners, residents and vacationers in the vicinity of Route 74 and the proposed alternates."

Two meetings were held in August, the last being on August 31st at the Paradox Community Center. I did not receive the notification of this meeting until the next day, but I have been in contact with the president of that association, Mr. Whitman Daniels of Severance, who told me that about 7 land owners from Eagle Lake were present.

At the picnic on Turtle Island, on Sunday, September 3rd, a meeting was held of the Executive Committee of The Eagle Lake Property Owner's Association, with all the officers present except you. At that meeting, the Executive Committee made two decisions:

- 1) That The Eagle Lake Property Owner's Association should be officially represented at the meetings of The Route 74 Association.
- 2) That The Eagle Lake Property Owner's Association would support the Route 74 Association to the extent of a \$25.00 contribution, but, even though they were asking for more money, our Association would not contribute more until we had a feeling from our official representative that our Association would be a substantial beneficiary of the efforts of The Route 74 Association.

Discussions were held with various people about who the official representative should be. Graham Davis was nominated, and he accepted this position. As such a representative of our association, I feel that The Eagle Lake Property Owner's Association should pay Graham's \$5.00 membership fee.

I would appreciate it, therefore, if you would forward two checks to Ted Dobbs, Treasurer, The Route 74 Association, Severance, New York 12872, one for \$25.00 as the contribution from The Eagle Lake Property Owner's Association, and the other for \$5.00 for Graham Davis's membership. I am sending Dobbs a \$5.00 membership check for myself, also. Please let me know that the checks have been sent.

I would also appreciate your sending me your latest membership address list, so that I can compare it with the one which I have. Mr. Daniels has asked for the list so that their Association can solicit individual memberships from our members. I have no personal objection to this.

For your information, I am enclosing the latest membership list of the Rte. 74 group, recently received from Mr. Daniels. Please note that Graham and I both appear as members, although they have not yet received our dues. I am also enclosing some membership application blanks and the list of their Board of Directors. You will note that they are including the Schroon Lake group as well as ourselves in their membership roster.

Thanks for your help, and I would appreciate your thoughts on this group.

Sincerely,

A handwritten signature in black ink, appearing to read 'RCS', with a long horizontal flourish extending to the right.
