Please find attached the Eagle Lake Mifoil control teams comments as they relate to APA's RASS-1 request for comment on the Appropriate use of the Aquatic herbicides Renovate and Renovate OTF for the management of EWM, an Aquatic Invasive Plant.

These are being submitted via email as was suggested in a phone conversation with Mr. Snezik on or about November 5, 2013, while discussing the submission time line and other topics related to the request for comment.

Reply notification from Mr. Snezik and or Mr. Walrath of their receipt would be appreciated.

Thank you for extending the reply deadline and accepting these comments.

Rolf Tiedemann
