Hi Adine and Zach,

Zach thanks for offering to continue with your sponsorship when I spoke with you a few weeks back, below are the details that I need to provide related to this.

The ELPOI would like to take a moment to thank you for your support in 2017-18 by having purchased a sponsorship position on the ELPOI web page. Your funds supported water testing, member communications the web camera and many other items related to the mission of the ELPOI. For the past two months we have recorded some 1,200 page loads each month, and months preceding this in the 800-900 range, since starting to track numbers in 2009 we have logged just under 90,000 page loads by almost 40,000 unique visitors. With each page load there is an opportunity for your, and our other sponsors business card to be visible at the top of each of these pages. These page loads are from local, regional and some very distant international viewers.

As we transition into the 2018-19 fiscal year we would ask that you consider continuing your support by checking the business membership box on the recently distributed ELPOI 2018 newsletter and membership renewal form and returning it with a check to cover the \$120.00. Images for the 2018/9 membership form and sponsor page information are below. Please advise me if there are any corrections that need to be made to these sponsor page images.

Please note, I just learned that the sponsor page is currently not functioning- I've alerted our web manager and hope to have it back soon. Sorry for any inconvenience this may cause.

Thank you from the ELPOI Officers and Board for your support, enjoy the summer on the lake!
