Good morning Rolf and all,

Per your request, I am providing an agenda for our call regarding the boat launch at Eagle Lake.

1. Introductions (All) – Who is on the call?
2. Review of UMP's proposed actions and alternatives (Rob) – What did the 2018 UMP propose?
3. DEC consultation request (Ben) – What work did DEC complete to fulfill the preferred alternative in the UMP?
4. APA determination (Megan, Kevin) – How did APA respond to DEC's consultation request? What informed their response?
5. Timeline for management action (Rob, Ben) – What is DEC's timeline for next steps?
6. Questions (All) – Are there any questions?

Please send a few potential dates/times that yourself and others from ELPOI can be available for a call.

Have a lovely weekend!

Megan Phillips

Megan-

This is Rolf at camptouchstone@yahoo, I have been the primary person working on the issue of the boat launch for the ELPOI. I have done this in concert with the 6 other ELPOI officers including the 2 others cc in your email. I /we need to speak with each other other in order to give you an answer for a meeting- I suspect, from our respective off season locations, that for planning we will need to do a virtual meeting, but others will need to confirm this.

My intention with this email is to indicate that we received your request and will as time in the next few days convers with other ELPOI offices and advise you when we have figured out our schedules.

I've cc our other ELPOI officers in this reply for their information.

Good afternoon,

My name is Megan Phillips and I'm the Deputy Director for Planning at the Adirondack Park Agency. I understand that you have been in communication with staff from the Department of Environmental Conservation regarding the boat launch on Eagle Lake, and I'm reaching out to continue that dialogue with you and others from your organization. Are you available to meet with DEC and APA staff on this topic? We are happy to accommodate a virtual meeting if that would be most convenient, or we could host a meeting at our headquarters in Ray Brook. Would you kindly propose some dates and times over the next several weeks that would be suitable?

Best,

**Megan Phillips**
