Hi Rolf

Other than the one-on-one conversation I had with Dan Stec before our meeting and the meeting with Jonathan, I have received no other responses on the subject.

Mark I just sent notice to our web master to have your letter of March 29 to the APA posted to our website. But it reminded me to ask did you ever get a reply from them?

Have you heard any feedback from the County or Jonathan with regard to the meeting of May 26th?

thanks again for setting the meeting up

I had a brief follow up conversation with Keith Scherer, spoke at length with Assembly Member Mat Simpson and also had an opportunity to provide feedback for this meeting to Ronald Moore. I've cc'ed them in this email as they all are still very much concerned by the APA's decision on this matter.
