Mr W. S. Lodge

Albany N.Y.

Dear Mr Lodge.

I have put in an application for the Post Office at the Lake but do not seem to make much headway with it. I would be much pleased if you would ^{write to the} P.O. Department about it. if I get the appointment I would open the Office the 15 of June. The P.O. inspector wrote me that he was coming in April to see about it but has not been hear yet.

yours very truly
