June 1, 1914-

My dear Mr. Lushy, <sup>Al</sup> ~~June 1st~~  
Enclosed find copy of  
letter I sent to Peter Flint enclosing  
check for \$25. Mr. Flint is coming  
to Flushing to-morrow to get the papers  
signed which my brother, Emile (Pat)  
will do under absolute power of attorney -  
I also had a telephone message from  
Mr. Flint saying he would go up state  
this week to get the papers but that  
the argument could not come up before  
July 1<sup>st</sup>. I'll let you know as soon  
as possible what the lake looks like after  
Friday next. Did I tell that Tom says  
the lake is 20 inches lower than it has  
ever been before? Yours in haste

Albert Lushy.
