Dear Friend Luthy,

Yours just received. I think its better
take a chance on Peter although I have little
hope of his accomplishing much. As long as
the suit is in name of N. Y. property owners
we are free to try for a friendly settlement
with Newton et al. anyway. I enclose \$25
you can send him the \$50 in one check if you
will. Then let him get the Range & H of C
money & go ahead.

Hope you are all well & happy. I shipped my
stuff to ab yesterday so it is getting near
our time to get together.

With our best regards to you all

Yours friend
Geo E. Hurd
