Re: Note, dated November 10, 1975

Dear Mr. Kittle:

As of date, I have been advised by Mr. Robert Stevens that he has recently received a check, remitted by you, in the amount of \$211.25 payable to his order. Although this is a step in the right direction, it is not in conformity with my letter to you and Mr. Jakubonis, dated May 8, 1979. I expect, within the next week, to receive a duly executed Confession of Judgment from you and Mr. Jakubonis. In default of which, I will advise Mr. Stevens to avail himself of his legal remedies at this point in time.

Very truly yours,

ANTELL, HARRIS & CALLERI
