My dear Ollie:-

I have your letter of 1st inst., together with the copy of your letter to Peter Flint advising that you sent him a check for \$25.00 as part of the \$100.00 fee for suit against Newton in re- "Eagle Lake Dam".

As Flint requested that the whole amount, which Hurd and I guaranteed, be paid him in advance and thinking he would not himself have the necessary funds to go to the Essex County Court, I sent him \$50.00 yesterday, which with the ~~\$25.00~~ \$25.00 you sent him makes in all \$75.00 of the amount of the guarantee. I wrote him to collect the remaining \$25.00 from the Farmer's Loan & Trust Co., Trustees of the Harris Estate. If they will pay their share to him, he will have received in advance his whole fee of \$100.00, if not we will have to pay him later the balance of \$25.00.

I trust he will now vigorously push the case and prove what he can do and hope he may win out.

Presume your father and mother and the rest of the family are now comfortably located at the Island Cottage and I sincerely hope that the mountain air will do your father much good. You are surely fortunate to get away from the hot city surroundings.

It has been unbearably hot in Cincinnati for the past two weeks and we are trying to hold out until June 30th on which day we plan leaving here. This will bring us to the Lake on July 1st.

I await with interest your report of conditions as you have found them on your recent visit to the Lake.

Should you see Flint tell him he can make himself famous with the community at the lake, if he wins his suit against Newton.

Hoping to see you and the family soon, I am till then, with sincerest regards to all of you, in which Mrs Luthy joins,

yours truly,
