Mr. Frank B. Wickes,
Ticonderoga, N. Y.

Dear Mr. Wickes:

Herbert Moore who keeps the small store at Eagle Lake has made application for Postmaster of the office formerly held by Mr. Boughtaling providing there is no opposition. Have you any suggestions to make regarding the hastening of his appointment as postmaster? Your letter to Mr. Lodge leads me to believe that the hotel will probably not be opened this season. Should you wish to hasten the appointment I would be pleased to hear from you. I expect to open up our summer cottage on June 10th.

Awaiting your suggestion, we remain

Respectfully,
B. LODGE & CO.
