Mr. Edmund O. Luthy,

Box. 232,

Cincinnati, Ohio.

Dear Mr. Luthy,

I have your recent letter regarding Mr. Flint's taking action against Newton & Ferris. Would it not be better to have some lawyer in Essex Co., to take up this matter?

If Mr. Wicks is not legally related to Newton & Ferris I believe his advise in this matter should be sought.

I think that a personal interview with Newton & Ferris would lead to an adjustment of this matter.

We expect to go to the lake on the 19th of this month.

I have written Mr. Flint that I do not care to co-operate with him at this time.

Sincerely yours,

W. S. Lodge.
