Dictated 6/12/69

Mr. Clifford D. Tobin  
26 Gaspen Court  
West Albany, New York

Dear Cliff,

I have just received, under date of June 9, a letter from the Water Resources Commission stating that a public hearing on the application of Stubing will be held at the auditorium in the Community Building in Ticonderoga on Wednesday, July 9, 1969 at 10 A.M.

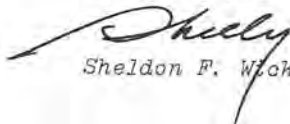

Enclosed is a copy of the letter and also a copy of the public notice and "Order of Business".

Apparently Stubing has amended his application to provide for rip-rap instead of log cribbing.

I think that all property owners should be alerted and as many as possible present at the hearing.

It will be necessary for them to file a notice of desire to be heard in writing if they have not already filed objections.

Sincerely yours,

  
Sheldon F. Wickes
