Re: Stevens vs. Bazaar of the Third Planet,  
Inc.

Dear Mr. Stevens:

Receipt of your phone call of June 7, 1979, is acknowledged. As a practical matter, since you have now received the outstanding interest arrearages from November, you may not wish to take legal action against the corporation and Mr. Jakubonis at this time. In this vein, please advise me as to your wishes. Whatever your decision, in the event that there is a future default in payment, I would strongly urge you to immediately avail yourself of your legal rights.

I'll await your advice in this matter.

Best regards.

Sincerely yours,

ANTELL, HARRIS & CALLERI

Peter A. Harris
