26 Gaspen Court  
West Albany, New York

Dear Cliff,

I have the copy of Al Runge's letter to you dated June 16. A copy of this letter is being sent to him.

I think it would be a good idea to have a meeting of the Association over the July 4th weekend.

A resolution should be prepared for adoption at that meeting if it is called and held.

I think that the Association should have counsel to represent the members at the meeting.

I am prohibited from practicing law and cannot act as counsel at the hearing.

There is some question about my being able to attend the hearing on July 9th as I have a scheduled term of Court at Elizabethtown on that day. However, I am going to try to arrange the schedule so that I can be present.

As many as possible of the cottage owners should attend the hearing.

In my opinion, personal appearances and opposition at such hearings are much more effective than resolutions, petitions and letters.
