Dear Peter,

Re: Stevens vs. Bazaar, et al

As of June 8th I received as promised the regular monthly check for \$211.25, which again brings them up to date.

I agree with your letter of June 15th that it would be foolish to take further action at this time.

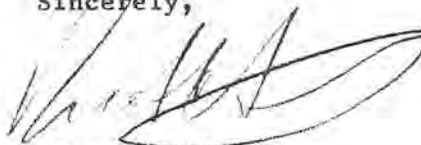

I would appreciate your writing the parties involved and notifying them that as of that date they are up to date, but we can tolerate no more slippage at all, and one more miss and we will take full action.

I don't see why you shouldn't send me your bill with the copy of that letter.

I hope this closes the matter, but we will have to see!

Thanks for your help.

Sincerely,

Robert C. Stevens
