Dear Mr. Daniels,

I am delighted that you, Mr. & Mrs. Whitney can come to our picnic. The rain date will be Sunday, July 22.

I am sorry to inform you that this year we have had to increase our the price for the chicken dinner to the exhorbitant price of \$2.50, having been losing money at \$2.00 for the past seven years! We hope that you are understanding about this.

We do request that you bring your own "silver", paper plates, and whatever you want to drink. All else will be supplied.

Sincerely,

Robert C. Stevnes

Dear Peter,

I am sorry that our letters crossed in the mail. Based upon my last to you, I am returning the draft herewith, hoping that you can deal with it. I am sorry, but I don't have any reproduction facilities, as I work out of my basement.

I have received the acceptance of Mr. Whitman Daniels, the president of the Rte. 74 Association, who has agreed to talk to us on the latest developments in that area. He is going to bring with him their First V.P., Mr. Charles Whitney and his wife, Mrs. Whitney. I told them that they would have to pay, and this is not a problem.

When I am up there, I will call Morris, and hope that I can get him, albeit I doubt if he will show.

As I mentioned in one of my other letters to you, my schedule is not my own this year. I thought that we were going up today, but because of various things, it does not look like we are going up until Saturday. We'll see.

Thanks.

Sincerely,
