Dear Carol,

I know that the Eagle Lake Property Owners' Association has been after Camp histories for a long time. Well, I have finally gotten around to writing the last of the Stevens genealogies, of which the enclosed is of the POND family.

As you know Freeman Clarke Pond was the builder of what is now the Knauss camp. In the book are some amusing stories about Free and his building the Camp (not on his property), as well as stories about his children and their memories of the Camp.

It is the best that I can do now for the Association. More than this you will have to get from Bill Knauss directly.

I hope that you enjoy this.

Sincerely,

Robert C. Stevens
