Mr. Edmund O. Luthy,  
Eagle Lake, N. Y.

Dear Sir:-

Undoubtedly you expected to hear from me before this late date. Mr. McEntee will return from his vacation next Sunday, and I will then be very glad to have him take up your matter at once. Mr. McCabe does not assume office until December 1st next, and I therefore hesitated about asking him to make any inquiry. In some manner I have misplaced the Postal Card with your mem. written thereon. Please mail me another mem. of the subject in question, and I will give you a report early next week.

With best wishes, and regretting my inability to give an earlier report, I am sir,

Yours truly,

Charles B. Krum
