Dear Al,

I am enclosing my \$1⁰⁰
for the dues and only wish I could
be there to deliver it in person. It
has been many, many years since I
have not spent part of the summer
at Eagle Lake.

Please express my appreciation
to all my friends who signed the
the "Get well" card and tell all the
gang that I am already looking
forward to seeing them all
next year.

Have fun at the picnic
and meeting and enjoy the sailing.

Regards to all

Al Grange

P.S. I hear rumors that the fishing is not so
good. Tell the fellows I'll show them where
the fish are next year.
