Dear Mr. Luthy:

I have your notice of the meeting of the Property-owners' Association on the 10th. but I am sorry to say that I will not be there, as I am not planning to come up to the lake until the 24th.

I am not sure whether the pencil notation regarding dues reads "remitted" or "requested", but in any case, I can take this up with you when I come up, as I will see you at that time.

With kindest, personal regards to Mrs. Luthy and yourself,

Cordially yours,

  
Edwin A. Buechner
