President
Eagle Lake Property Owners Assoc.
Ticonderoga, NY 12883

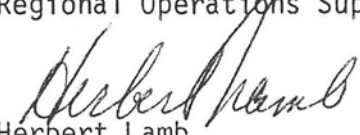

Dear Mr. Kene:

Thank you for the results of survey on the water level at Eagle Lake. It seems that the majority of the Lake Shore owners want the water level dropped. I was especially interested in the poem that was attached and am glad to see that at least some of the people still have a sense of humor over the whole situation.

Thank you for keeping in touch.

Sincerely,

Robert E. Wilson
Regional Operations Supervisor
