Mr. Edmund O. Luthy,
Eagle Lake P. O.
Near Ticonderoga, N. Y.

Dear Sir:-

Yours of August 31st received. The present dam is inadequate and should be reconstructed, and I am writing the Farmers Loan & Trust Company to that effect, and shall also state that the owners are anxious to have this dam reconstructed and it would be wise if they cooperate with the owners in the reconstruction of this dam.

Very truly yours,

Conservation Commission,

By *Alex. Rice McKim*

Inspector of Docks and Dams.

At Albany on Tuesdays.
