

F. EDWARD THOMSON
EAGLE LAKE
TICONDEROGA, NEW YORK 12883

September 13, 1969

Dear Mr. Runge,

Thank you very much for your letter. I turned the books over to Mrs. Muehleck last Sunday, after the minutes were written up and the address list brought up-to-date (it is probably already outdated, but is reasonably correct).

I have never seen the By-Laws or the minutes of earlier years. We asked at several meetings if anyone knew of the whereabouts, but to no avail.

The lake level was receding nicely until a week ago, when we had a 3-inch rainfall. That, together with the runoff, raised the level quite a bit. However, it is lower now, and probably will return to normal soon-barring more heavy rains.

We have had quite a nice September so far-the one heavy rain, and a little on the cool side this past week, otherwise quite pleasant.

I believe that you knew the Knausses, our neighbors on this side. Ed has been operated for a brain tumor, and there is no hope. Makes for a gloomy feeling around here, for he was a great guy, and wonderful summer neighbor.

Keep well, "winter" well, and it would be nice if you and Mrs. Runge would stop by sometime,-if not this year perhaps next summer.

Cordially,

Madge Thomson
