September 16, 1971

Mr. Carl W. Harris  
P. O. Box 333  
Longboat Key  
Florida 33548

Dear Carl:

Sorry I wasn't available when you called in August. However, I expect to be at the Lake each week-end in October and we can get together at your convenience. By that time we may be able to get something definite from Tom Gibson on the proposed zoning.

Sincerely,

A handwritten signature in cursive script that reads "Barney".

B. A. LEFEVE  
Chief Engineer
