Dear Al,

Ed Beuchner died about a week ago of a heart attack. No direct knowledge just word from Graham Davis who had a call from Pete.

About the zoning. Mr Gibson has seen the bill and 60 copies are being printed, possibly you should write and request one tho I was informed no one here would get one except Shelli Wickes. Mrs Johnson will keep in touch with him.

Hearings will be held sometime in Nov. Details about same as previously reported. Lot size will be small.

Mrs Johnson & Barney Lefevre will try to attend the hearings.

We leave for Florida 19 Oct. and hope to get back here 26 Dec.

Have a good winter

Sincerely
Carl.
