the members. Therefore if the association wants to carry the case farther it should be assumed by them & all donations or assessments made to the secty & not to Mr Flint. I surely hope with you that he will get something decided Nov 7th. Any way my best love & regards to you & yours. I trust you are all well & happy as 2419. With our best regards

Dear Friend Lathrop, ^{Ans to 2419}
 Yours of 21st rec'd. Your understanding that "if after this hearing we decided to proceed with the case we could carry it on for another 100" I have no recollection of. I understood that our last contribution of 100 was fiscal & Peter was to get a hearing & some sort of a decision for the money. Your action in stopping him from continually soliciting money from our members is just right. Range, if he will, should pay the costs & let us divide expenses with him as you suggest. If it becomes necessary, it might be a nice thing for you to notify all members of the association not to pay him money & explain this case just as it stands. That while it is brought as an individual case & the association is in no way obligated by it, it is really in the interest of us all, and it was the intention later to ask the members to assume the obligation & prostrate the expenses, paid by a few of us, among all
