Mr. Edmund O. Luthy
2419 Ohio Ave.,
Cincinnati, Ohio

Dear Mr. Luthy:-

I have signed the very excellent letter you wrote to Mr. Howard and will send it along to him although I am rather surprised at the title you give me in connection with the matter. However I understand it is of no importance and I hope the letter will bring results. I think it will.

Mrs. Rodgers told me of the very interesting time she had with Mrs. Luthy and of Mrs. Luthy's great kindness to her when she was in Cincinnati.

With kindest regards, I am,

Sincerely yours

HDR/B

He tells me he has written the Attorney General at least four times trying to get action but has been unable to do so and he will write him a letter criticizing the delay and asking that action be taken, in order that he may be able to do so. It seems to me that the Deputy Attorney General, and write to the Eagle Lake Association. It seems to me that the thing to do therefore is either for you to write a letter setting forth the facts and asking for action or for you send me a statement of the facts and I will write the letter.

With kindest regards, I beg to

Sincerely yours

HDR/B
