Gentlemen:-

Reference is made to our correspondence in the matter of the Eagle Lake dam. I have signed the very excellent letter you prepared and will send it along to Mr. Howard and will send it along to him although I am today in receipt of the attached letter from Mr. Henry D. Rodgers, of the Eagle Lake Property Owners' Association, requesting action in this matter.

May we not have your opinion in this connection? I had an interesting time she had with Mrs. Lutzky and of Mrs. Lutzky's great kindness to her when she was in Cincinnati.

Very truly yours,

With kindest regards, I am,

Director, Lands and Forests.
Sincerely yours
