Dear Friend Northey

Ans Nov 5/14

Your favor of 29th Oct. & 2nd inst recd. I think you took the right action regarding the contribution of \$20. from the State Co. Peter is getting to be some nuisance all right. I have a long letter from him which I enclose, with copy of my reply. He seems to be trying to establish a claim against us all & treat our contributions as payments on account; but guess we need not fear his establishing his claim as we are too many against him. Ruzge writes rec today & sends letter from Hinch of Oct 28th along same lines & Ruzge surely put me down hard in his reply.

I was amused in Fitz Graft's letter you sent me in which he refers to "passed dividends" & his remarks about "Progression being good & results of Tuesday Election show it was the feeling of many of us. Every one fairly well here & send you all kindest regards. Yours G. E. Hurd
