Dear Mr. Martin:

I have been too long getting this letter off to you. Wanted to get the minutes into shape so that I could send you a copy.

Am also enclosing a list of those paying dues at the meeting. Mrs. Alden's check and mine will cover the balance due after deducting for cards (sent out 45 of them twice during the year).

We trust that we may see you next summer. Hope that you are finding some respite from the busy "wedding" season.

Have written to Mrs. Alden acknowledging her check. Our best to you and Mrs. Martin.

Cordially,

MT/m

M. Thomson
