Summer over

Chalson of 1518

My Dear Friends Mrs
and Mrs Lantry We
received your kind
letter to night and
are all well. I fear
the Cornish in
Cumbria and the
Lancashire on the
grass about the
sand I left on the
side of the sand I
do not think it
will do any harm

Note

Two weeks ago the
 water was over the
 fence we put in
 the ditch it is 15 in
 We have had no
 large rains to raise
 the water level
 I have planned one to
 night he said that
 some one has base
 out the dam at
 the foot of the
 Lake and lowered the
 water about 2 feet
 that means a lot
 of trouble for all
