Mr. Theodore T. Odell,
Hobart College,
Geneva, N.Y.

Dear Mr. Odell:-

I cannot tell you how much I appreciated your very informative letter of Nov. 3d, which came to me as an inclosure from Mr. C. Willard Greene, Aquatic Biologist, Conservation Department, Albany, N.Y., and I want to thank you for the courtesy of your reply.

I have carefully noted all you have written and I know, your letters will be most interesting to our members when I present them at our next meeting of the Association. I only wish you could be with us at that meeting-- the 1st Saturday afternoon in August 1933 to be held at my cottage at Eagle Lake.

I have answered Mr. Greene's letter and inclose a copy of it for your perusal.

I appreciate, personally, your expression to assist us in any way that you can. Whenever you are in the vicinity of Eagle Lake during the summer, I should be glad to have you call and see me at my cottage there.

According to you the thanks of our Association for your courteous replies, I am,

very sincerely yours,
Secty & Treas.

Edmund O. Luthy,
Eagle Lake Property Owners' Association.

Incl letter to Mr. Greene.
