Dr. Joseph Kane
President, Eagle Lake Assoc.
Eagle Lake - Star Route
Ticonderoga, NY 12883

Dear Dr. Kane:

Enclosed is a Temporary Revocable Permit application to cover both the installation of the fish screen and the authority to regulate the new spillway.

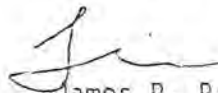

It may take two or three seasons of trial and error to effectively regulate the spillway. Anything between -4" and 0 on the gauge would be great.

I just recently obtained the spillway keys from Herbert Lamb and will forward them to you in Florida or send them to any authorized representative you may have at Eagle Lake. Please let me know of your wishes.

The permit fee for the Temporary Revocable Permit has been waived.

Best wishes for a good winter.

Truly yours,

James R. Papero
Forester

JRP/meo
