Mr. Edwin S. Knauss
97 East Cedar Street
Poughkeepsie, New York

Dear Mr. Knauss:

Further reference is made to our correspondence of February 26th and March 4th respectively concerning a permanent tent platform at Crown Point Bay on Eagle Lake.

Ranger Stowell advises me that such a platform does exist and I am requesting him to see that Mr. Stachnick removes the structure.

Very truly yours,

W. E. Petty, District Director
of Lands and Forests
