Dear Sir,
I have the honor to acknowledge the receipt of
your letter of the 11th inst. regarding the
My dear Mr. Lodge, I am glad to hear that
you are a good man. I have received
deed of the land, both duly received. Since then
I have a letter from Mr. T. J. Smith advising that you
only hope for restoration of the land to the
Superior Court to direct Mr. Newton to record
the deed of the land, to restore the water of the
Lake to the former level, to compel grantee
of Lot #41 to permanently keep it there, and
Mr. T. J. Smith that he is to the same effect that
may have a right to the lake, such as water
and land, and the approval of all
the property owners in the lake. In fact, should
recommend such action to the Board of Directors
to the necessary extent in 1901 and such
action on the expense which is to be borne
where but for the fact that the water of the
would have to be paid by such an amount of
money which is to be paid for the expense

If you, Messrs. Wood, Ringer, Lewis & I would
 join together we could divide the total expense
 into fifths & if the appeal is not allowed and
 we are not allowed to pay for all relief
 at least until we are permitted as the law is
 now it is better to determine in future
 action that might be necessary if you
 think says if we are not permitted to
 with a result, the writer has to pay for it
 and to pay it in addition for that of the
 case in future. I am sure at 11th St. St. St.
 Mr. Wood is anxious that we take immediate
 action, so do not let Mr. Lewis to propose these
 matter to you & Mr. Ringer & if you all favor
 it, Mr. Wood & I will join in proposing that
 preliminary expense is so done previously
 I have about \$100.00 in the association fund
 & as all our members are interested in it
 it appears to me that the Association ought
 to pay the expense out of the association
 fund. Should the Court order that

3 to reconstruct the dam & repair the
damage to it, then we would not need this
fund ourselves as contemplated.

I am confident that I think understands
the situation perfectly & will put up
a good defense.

Awaiting your advice in the matter
also your views as to whether the expense
of action should be paid out of the
assessment fund or by members
volunteering to defray this expense,
I am

Very truly yours
