is! The deed for
this happening in any other community, and some people believing it,
without any repercussions? I'm just one of those people President
Lincoln spoke of who can't be fooled all the time.

It seems to me Mr. Geisler's only interest in championing this
cause is strictly financial, and if this is approved, how many more
"Land Deals" will blossom throughout the area? I am afraid you will be
opening a Pandora's Box, and a precedent will be set. Just about every
