EAGLE LAKE PROPERTY OWNER'S ASSOCIATION
65th ANNUAL MEETING
SATURDAY, AUGUST 12TH, 1972 AT CROWN POINT BEACH

At 1:00 there will be a chicken barbecue with corn and desert which will be followed by the annual business meeting at 2 PM.

The barbecue will be free to all members who have paid their annual dues of \$1.00. Guests of members will be charged \$1.50 each.

It is with great sorrow that I report that Ed Buechner, our Treasurer, passed away last fall. However his son, Pete, has been kind enough to volunteer to take charge of the barbecue. He will be looking for some help so I hope some volunteers will step forward that Saturday morning.

Since it is necessary to order the chicken and corn well in advance, it is important that you fill in and mail the below form to Pete by August 1st. For last minute changes please contact me at the lake.

I am looking forward to another successful meeting like we had last year. The principal topic of discussion will probably be the proposed zoning plan for the Town of Ticonderoga including Eagle Lake. Other items of business will be welcomed.

See you on August 12th.
