Dear Al:-

I will not be able to be present at the annual picnic this year - as I just cannot get away at this time. My mother died on June 9th, her 98th birthday, and I am in the throes of settling her estate, selling the house, furniture, etc. Also, I was married on May 12th to Pat Perkins, and we have bought a new home and are gradually getting settled. Please note the new address above, which is now my permanent one. Pat and I hope that we may be able to get up to the lake sometime in late September or October. Maybe we can see you then.

Please give our kindest regards to all who attend the picnic - and I am enclosing my check for our dues, and a bit more in memory of my mother. I think that my parents bought our land and had the cabin built in the late 1890's - and I know how very much they loved it up there. Pat and I share that love, and hope that we may spend a lot of time there in the years to come. We hope, too, that we may have the pleasure of seeing you again in the near future.

I hope you have a grand picnic and season at the lake -

Sincerely,
Carl Alden
