Dear Mr. Stevens,

You will note that on the membership list we have marked you and Graham Davis as having paid membership dues although Ted Dobbs, our treasurer, had not received them as of last evening. Do you think they might have been misaddressed or was the payment simply overlooked?

We indeed appreciate your support and that of The Eagle Lake Association. The Eagle Lake Association contribution of \$25.00 which you indicated would be forthcoming has not yet been received either.

Sincerely,
