PARADOX LAKE, N.Y.

Whitman Daniels
President

J. R. Kane, DVM
Membership

Dear Fellow Member:

A year has passed since The Route 74 Association was formed, and it is now time to renew our memberships.

The officers and directors have done a splendid job, and have accomplished a great deal, which is explained to you in a message from our president, "Whit" Daniels. Now is our opportunity to show our appreciation of their efforts by renewing our memberships and giving them our support and encouragement to continue the job.

Our membership now numbers approximately two hundred and twenty-five, which is very commendable. However; we must maintain a strong organization, and I urge you to bring in every possible new member. Attached below is an application for new membership.

Please send your dues of five dollars to: Dr. J. R. Kane, Star Route, Eagle Lake, Ticonderoga, N.Y. 12883. Kindly note any address correction necessary.

Sincerely yours,

J. R. Kane, D.V.M.
