Environmental Planner  
Essex County Planning Office  
Elizabethtown, New York 12932

Dear Mr. Putman,

Thank you for returning the labels.

I have forwarded a copy of your letter to the present officers of the Eagle Lake Property Owners' Association. No doubt they will get in touch with Mr. Laberge.

I sincerely appreciate the efforts you have put into the Eagle Lake survey. If anything further does appear to involve us, from the County's standpoint, I would appreciate your letting me know. Although the officers of the Association change from year to year, I will be glad to remain your contact, and pass along anything to them.

Please don't forget us!

Sincerely,

Robert C. Stevens
