THE ROUTE 74 ASSOCIATION

FOUNDED 1978

TO PRESERVE THE ECOLOGICAL, ECONOMIC AND AESTHETIC VALUES OF THE AREA.

THE ASSOCIATION unites in common cause all who wish to preserve the rare qualities of our precious water bodies - Paradox Lake and Eagle Lake - and the beauty of their natural setting - and to maintain the roadway passing by them - designated as Rte. 74 - for maximum enjoyment of those who live along it and who traverse it between Schroon Lake and Ticonderoga.

THE ASSOCIATION aims to avert here the problems plaguing neighboring lakes. It seeks to preserve and enhance the land and lake values of its area.

THE ASSOCIATION'S strength and effectiveness derives from the active participation, as members, of all who share in its environmental objectives.

Its NEWSLETTER keeps members informed.

Its MEETINGS enable members to define objectives, formulate policy and initiate action.

DUES are \$5.00 a year per family.
