Re: **Beneficial Use Determination**
BUD # 469-5-16
Ticonderoga Mill
Ticonderoga (T), Essex Co.

Dear Mr. Perkins:

Your request for a Beneficial Use Determination (BUD) for the use of used machine dryer felts as benthic mat for control of nuisance vegetation is **approved** with the following conditions.

1. International Paper as the generator of the waste material will be responsible for the triple rinsing and removal of soiled felt pieces and the oil impregnated edges as described on page 3 of the BUD request and for the proper disposal of these wastes.
2. An annual report on the amount of materials which are utilized in this matter must be submitted to the this office and to the NYSDEC, Bureau of Waste Reduction & Recycling, Division of Solid & Hazardous Materials, 50 Wolf Road, Albany, NY 12233-7250.
3. The Department reserves the right to modify, suspend, or revoke this determination at any time, should conditions warrant. This determination does not relieve the operation from any other local, state or federal requirements.

If you have any questions on the above please call me at 518-897-1241.

Sincerely,

William G. Dora, P.E.
Environmental Engineer 2
