Here I sit printing out the TV schedule for the camp. this year I'm at the school house with Matt / Randy? / Glenn Clayton / Bob & Anita.

Lee couldn't go... will he ever? he will be 23 then. I read this again... how long will I know him? were just starting work on the 65000k. at 32k mi, what will become of it? 71 500k has 276k on it.. and ready for Parma. Ore has 180k... will I still have it? Notch, 74k, folk 131k and RX7 has 49k.

Havent heard from Nathan for over a year, will I ever? all the kids have fallen silent. will I still be on Barkwood? boat is just painted and varnishing has started. will I finally be ready to work by 2012?

Monty, chowie, puddie, oshie, & charlie are all here. Waiting for their snack... they should all still be here in 2012... I hope!
