Dear Tim,

Please find enclosed the ELPOI's documents for admission to 2005-2006 NYS DEC Aquatic Invasives Species Eradication Grant Program. Ten hard copies are provided as required. A disk of all files in PDF format is also included if the need to share information electronically should arise.

Thank you for taking the time to clarify the many questions that I/we had with regards to completing of the grant application. Your input and guidance was and continues to be greatly appreciated.

If there are questions that need to be addressed for our acceptance into the program please feel free to contact me. The ELPOI members are looking forward to hearing a positive decision from you.

Respectfully submitted,

Rolf Tiedemann
