This letter is being written in reply to a request by International Paper by letter dated 1/31/2020 to substantiate their donation to the Eagle Lake Property Owners, Inc. (ELPOI).

International Employee, Donna Wadsworth of the Ticonderoga, NY facility, presented to ELPOI Officer, Steven Meier, a check for \$700.00 in November of 2019. See image below. Per the application made by ELPOI Officer Zachary Dorfman and confirmed in an email, this donation, request 56294401 is to support Environmental Water Quality has been approved for the amount of \$700.00.

On Feb. 3, 2020 one of the first expenditures was made against the donated funds. This project is called Citizens Statewide Lake Assessment Program, (CSLAP), a program that tasks volunteer lake residents with collecting bi-monthly water samples during the summer season, doing the initial sample processing, and submitting the preprocessed samples to NYS DEC and NYS FOLA for further processing/ analysis and reporting. See ELPOI's web link for details http://eaglelake1.org/html/documents/water_quality.shtml. Additional expenditures for member/lake resident communications and additional analytical water testing will be made in the next few months, evidence of previous member/resident communications can be found here <http://eaglelake1.org/html/banner/archives.shtml>

The members of the ELPOI greatly appreciate the support International Paper makes towards supporting the residents of Eagle Lake, Essex County, NY in their efforts to continue their 113 years of monitoring and protecting this small Adirondack lake.
