<sup>1</sup>Note that the treatment date is approximate, and will be based off the final permit when/if granted by the Dept. of Agriculture.

<sup>2</sup>A second treatment for this site is being proposed for late August. That treatment date will be posted when it is determined.

This list is provided for general information only, and treatment dates may vary slightly from those shown here.

**Please contact the applicator if you have questions specific to the treatments, including water use restrictions following treatment.**
