September 1, 1978

Mr. Robert C. Stevens, President
Eagle Lake Association
Star Route, Eagle Lake
Ticonderoga, NY 12883

Dear Mr. Stevens:

Last evening saw the creation of The Route 74 Association. "to preserve, promote and protect the interests of all land-owners, residents and vacationers in the vicinity of Route 74 and the proposed alternates."

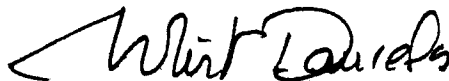

Accordingly, The Route 74 Association shares with The Eagle Lake Association a mutual concern for the wellbeing of your beautiful and healthful body of water.

The Route 74 Association, therefore, invites The Eagle Lake Association to share in the cost of operation towards achieving our mutual objectives. It was manifestly clear by the unanimous vote at last evening's meeting in favor of creating our Association that only by united aggressive and constructive effort can we hope to accomplish our aims.

We hope we may count on the wholehearted cooperation and material support of The Eagle Lake Association.

Contributions should be sent to Ted Dobbs, Treasurer
The Route 74 Association, Severance, NY 12872.

Sincerely yours,

Whitman Daniels
President
