Mr. Peter L. Buechner
7 Park Lane
Cauldwell, NJ 07006

Dear Pete:

Thanks for responding to my letter as quickly as you did. I certainly appreciate your offer, as well as your assistant cooks, to exercise your expertise in the culinary arts for our benefit. We are all looking forward to savoring some of your excellent cooking.

Your suggestion of Saturday, July 19th, with Sunday, July 20th as the rain date, would be acceptable, since the annual picnic has usually been held about the middle of July.

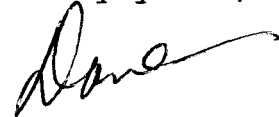

I want to take this opportunity to thank you and your assistants for the marvelous job you did last year, and for volunteering to do the same this year.

I do believe that you should go ahead with the picnic and meeting notices as you have outlined in your letter.

I would suggest that the Executive Committee have one or two meetings before the annual meeting for a discussion about maintaining the ecology and purity of the lake.

I hope that your family are all in the best of health, and remain,

Cordially yours,

David Warren
